- ¹ The guaranteed annual cash payouts, equivalent to 10% of the Sum Assured per year, will start from the 10th up to the 20th policy anniversary.
- ² Family Income Protection Benefit, equal to 10% of the Sum Assured per year, is paid to beneficiaries annually starting on the policy anniversary after the Insured's death, until the year before the annual cash payouts begin.
- ³ Cash Continuity Guarantee ensures that all remaining cash benefits will continue to be paid to the beneficiaries, as scheduled, even if the Insured is no longer around.
