

BDO's longtime partner CBN serves remitters in Rome

CBN London Ltd. (CBN) opened its latest branch in Rome, its second in Italy, last May 20, 2012. Being an affiliate of BDO Unibank, Inc. (BDO), CBN will continue to provide Filipinos in Rome with BDO's safe and fast remittance services.

Through CBN, OFWs can still enjoy the advantage of sending and reaching their loved ones through the money they send. Having a credible remittance record in Europe, CBN takes pride as the first Filipino company that acquired licenses with international regulatory bodies in different countries. Its services have been highly favored by thousands of Filipinos in Austria, Greece, Ireland, Spain and the United Kingdom for several years. CBN guarantees that the money gets to OFW families in the Philippines safely and uncompromised.

There are various BDO remittance services that are readily available for clients through CBN, such as Credit to BDO Kabayan Savings Account and Cash Pick-up Anywhere.

CBN and BDO's tandem, as two of the largest Filipino companies in international remittance industry, levels the services with world-class standards that clients definitely prefer. In addition to CBN's Milan and Rome branches, clients can look forward to CBN's expansion as CBN Florence Branch opens in the coming months.
